

## HDMC-500/SW - HD Cable

HDMI? High-Speed Connection Cables

(High Definition Multimedia Interface) for the high-resolution transmission of digital video and audio data.

- Ethernet
- Support audio return channel
- Conform to HDCP
- Suitable for 3D
- 2 ferrite cores for an interference-free transmission, even with greater cable lengths
- Gold-plated contacts
- Fitted with 2 x 19-pole HDMI? Type-A plug

## Tekniset tiedot:

|                        |                                 |
|------------------------|---------------------------------|
| Intended use           | : AV, HDTV                      |
| Connectors             | : 2 x 19-pole HDMI, Type-A plug |
| Cable specification    | : max. resolution: 4K2K         |
| Length                 | : 5 m                           |
| Colour                 | : black                         |
| Cable diameter         | : -                             |
| Metre marking          | : -                             |
| Minimum bending radius | : -                             |
| Shielding              | : yes                           |
| Shielding value        | : -                             |
| Impedance              | : -                             |
| Attenuation            | : -                             |
| Capacitance            | : -                             |
| Power rating           | : -                             |
| Rated current          | : -                             |
| Internal conductor     | : -                             |
| No. of cores           | : -                             |
| Material               | : -                             |
| Packaging              | : -                             |
| Weight                 | : 216 g                         |
| Position               | : -                             |
| Special feature        | : gold-plated contacts          |
| Other features         | : HDCP, CEC, Ethernet           |
