

## DN-20 - LS Crossover Network

2-way crossover network for 8 Ohm

- For hi-fi applications
- Ideal in combination with high-quality speakers

## Tekniset tiedot:

|                     |                     |
|---------------------|---------------------|
| General Information | : 2-way             |
| Output impedance    | : 8 Ohm             |
| Crossover frequency | : 2,000 Hz          |
| Slope/oct.          | : 12 dB             |
| Max. input power    | : 300 W             |
| Dimensions          | : 125 x 35 x 120 mm |
| Weight              | : 0.552 kg          |
