

## SPC-70/WS - LS Power Cable 100m

100 m

### Speaker cable "ECONOMY QUALITY"

- 100 m reel
- Copper-clad aluminium conductor
- Core coding

## Tekniset tiedot:

|                        |                            |
|------------------------|----------------------------|
| Intended use           | : speakers                 |
| Connectors             | : -                        |
| Cable specification    | : -                        |
| Length                 | : 100 mm                   |
| Colour                 | : white                    |
| Cable diameter         | : 2 x $\approx$ 2.4 mm     |
| Metre marking          | : -                        |
| Minimum bending radius | : -                        |
| Shielding              | : -                        |
| Shielding value        | : -                        |
| Impedance              | : -                        |
| Attenuation            | : -                        |
| Capacitance            | : -                        |
| Power rating           | : -                        |
| Rated current          | : -                        |
| Internal conductor     | : 2 x 0.75 mm <sup>2</sup> |
| No. of cores           | : 2                        |
| Material               | : CCA                      |
| Packaging              | : reel                     |
| Weight                 | : 1.8 kg                   |
| Position               | : -                        |
| Special feature        | : -                        |
| Other features         | : core coding              |
