

## MEC-1000/SW - XLR Extension Cable 10m

OFC

XLR cable,  
line and microphone extension cable.

- 1 x XLR inline jack and 1 x XLR plug, balanced
- Shielded low-noise OFC cable material, Ø 6.5 mm

## Tekniset tiedot:

|                        |                                     |
|------------------------|-------------------------------------|
| Intended use           | : audio, microphone                 |
| Connectors             | : 1 x XLR plug, 1 x XLR inline jack |
| Cable specification    | : -                                 |
| Length                 | : 10 m                              |
| Colour                 | : black                             |
| Cable diameter         | : $\varnothing \sim 6.5$ mm         |
| Metre marking          | : -                                 |
| Minimum bending radius | : -                                 |
| Shielding              | : yes                               |
| Shielding value        | : -                                 |
| Impedance              | : -                                 |
| Attenuation            | : -                                 |
| Capacitance            | : -                                 |
| Power rating           | : -                                 |
| Rated current          | : -                                 |
| Internal conductor     | : -                                 |
| No. of cores           | : 2                                 |
| Material               | : OFC                               |
